## Computer Programming Updates Math Curriculum

*Computer mathematics has been added to this year's math courses to bring Po-Hi's curriculum toward the future. Along with these courses each student is able to choose the right elective for his needs. For graduation two units are necessary for every student. Some of the subjects available in the math department are S.M.S.G. Algebra II, Algebra I and II, Vocational Math, Geometry, Elementary Functions and Matrix Algebra. A companion course that could be chosen is the combination of Trigonometry and Math Analysis.*

"Let's make this test a little harder!" agree Mrs. Martha Christensen and Mrs. Mary Schoenwald as they make out next week's geometry test.

*Theoretical explorations and investigations in the Science Department have led in a search for the key to the future. Along with this search students enjoyed field trips and science projects which made up a major part of their year's work*

This year the annual insect collections were abandoned as the teachers encouraged the construction of science fair projects. This assignment led to an interesting climax of a Po-Hi Science Fair

## Elective Courses Offered Practical Experience

*On-the-spot* applications of the principles and skills learned in these elective courses helped students to gain valuable practical experience. As electives, these classes gave students the option to choose the area of study which is best suited for their individual interests and talents.

In this category each of the departments, physical education, drivers education, art, music, foreign languages and home economics, offered a wide variety of related subjects. They supply both the college-bound and vocational student with valuable skills.

Understanding of the business world can be obtained through the courses, typing, bookkeeping, shorthand, consumer mathematics, and consumer economics. With the completion of these courses students gain confidence for their future in business

Vocational agriculture provides boys with practical experience in the farming industry

Mr. Brown, Industrial Department Chairman, is retiring this year after 31 years of service to Po-Hi. He has served as the Department Chairman since 1955. During Mr. Brown's 31 years of teaching he has taught drafting, woodwork, and printing.

Also retiring this year is Mrs. Mary Louise Cassity, a veteran teacher at Po-Hi with 42 years of service. ## Counselors' Advice Remedies Student Problems

Assisting Rod Christy with his college choice is junior boys' counselor, Mr. Paul Ingersol

*Our counselors render one of the most necessary and helpful services in our school. These six people give much of their time each day to helping students with their problems and questions. In addition to these demanding duties three of our counselors, Mrs. Beaubien, Mr. Ingersol and Mrs. Ware, double as teachers.*

The counselors advised students on schedule problems, college requirements and vocational choices.

Disciplinary and personal guidance problems, as well as academic matters, often necessitate a counselor's assistance.

*With pictures stacked high, ideas running wild, and pencils hurriedly sketching layouts, you'd find the 1968 Cat 'Tale Staff busily at work trying to produce a yearbook with highest quality. The thought and planning that goes into such a book takes many long hours of work. But the result is a book filled with memories which can long be remembered*

Through the cooperation of the editor and staff members they produced a book which continued to show the active life of Po-Hi

Sponsor Paul Ingersol, Editor Sarah Hatfield and Associate Editor Kim Hogan give the pages one last check before sending them to the press

On April 12 Business Manager Joyce Schnitzer and Sports Editor Chuck Gull finally finished their first page

This year the *Poncan* celebrated its 25th anniversary. During these years high standards in the paper have always been maintained.

The highlight of each year is the Quill and Scroll initiation at the Annual Press Banquet. Both *Poncan* staff and *Cat Tale* members are recognized at this banquet.

This year All State members were: Connie Aitken, Diane Berger, Jill Cowan, Nicki Creech, Mary Crowder, Larry Engle, Marilyn Fuller, Marsha Leslie, Georgia Martin, Prilda Watson, and

Mary Welch

This year's Orchestra was very proud of Mary Crowder who played in a National-Wide Symphony Orchestra during May.

Concluding the year the Orchestra gave a Spring Concert for the Senior High School.

## Boosting Spirit, Dynamiters Support Our Wildcats

[illegible]

With a flip of a shaker, and a beat of the drum, the dynamiters paraded on the field in an array of color. According to Mrs. Moore, this year's pep club was the largest and most spirited pep club that PO-HI has ever had. The entire squad was present at every home game and a large number helped to boost morale by representing PO-HI at each out of town game. Filled with enthusiasm, excitement, and school spirit, the dynamiters helped by encouraging the Wildcats on to victory.

## Po-Hi Students Present "25 Years of Panic"

"*Twenty-Five Years of Panic*" was the theme of this year's Pon-Dram Panic.

The Panic was presented by the students of Ponca City Senior High School under the direction of a student board.

Any student at Po-Hi was eligible to participate by creating an act and presenting it at tryouts. Student talent and initiative were developed as final preparations and selections were made.

The preparation of homeroom skits gave evidence of group originality, cooperation, and school spirit.

Wildcats beat Will Rogers High School  
they will become Champions  
the Oklahoma Seven Conference:  
November 3, 1967, is her  
nated as and proclaimed to be Fighting  
Wildcat Day

The above is taken from Mayor C.  
D. Hull's Proclamation in honor of the  
PO III Wildcats

Having been picked to finish last in  
the conference by opposing coaches, the  
Wildcats were under constant pressure  
all season and each conference game was  
lost won

In the opening game against Enid, the  
Wildcats showed great potential but suf-  
fered a 12-0 loss

Against Stillwater the Wildcats dis-  
played a massive offensive attack as  
they were led by halfback Eddie Eber-  
hard to a 34-26 victory. Eberhard rushed  
for 190 yards, 4 touchdowns, and two  
two-point conversions and was voted  
Back of the Week for his outstanding  
efforts

Bartlesville was the Wildcats' first  
real conference challenge. In the closing  
minutes Mark Driscoll rushed from  
his halfback position for an 87 yard  
touchdown to win the game

Edna Hale was the Wildcats' great-  
est rival for the conference crown. Be-  
hind the inspired play of linebacker  
Mark Driscoll who was awarded the  
honor of Lineman of the Week, the  
Wildcats displayed their best spirit of  
the season, before more than a capacity  
crowd. With their backs to the goal  
line, the defense held off the Rangers  
time after time to post a 14-8 victory

Several of the Wildcats were reward-  
ed for their fine performances by re-  
ceiving All-Conference recognition.  
These boys were: Bobby Jack, Eddie  
Eberhard, Everett Hull, Phil Luns, Ron-  
nie Clark, Gary Theobald, Lyles Trus-  
sel, and Kenny Ladner. Gene Adams  
and Danny Lamson received Honorable  
Mention. Mark Driscoll was selected to  
the All State Team

# Tragedy Mars Po-Hi's Promising Wrestling Season

Despite the tragedy that befell the 1968 wrestling squad the team held together and showed a fine 6-6 record. In addition three team members advanced to the state tournament, Steve Talick, Nate Phillips and Mark Yerkes. Yerkes and Phillips both placed fourth statewide.

The season started strong with three consecutive victories, but the injury of three outstanding wrestlers in a traffic accident slowed the team's pace. Heavy weight Terry Cook, 115-pounder Mike Davis and 123 pound Steve Ellenwood were unable to complete the season after the early January accident.

The 1968 wrestlers worked well and continued Ponca City's winning tradition in wrestling. The team as a whole deserves much credit for a fine effort despite the many adversities they had.

### APRIL 1968

On January 11, 1968 a traffic accident took the life of Po-Hi's wrestling coach, Mr. Ted Pierce. Mr. Pierce had been involved with wrestling for many years. In high school he had been a state champion. After high school he continued his education at Oklahoma State University, where he was Big Eight Conference Champion and placed fourth in the nation in his weight. After graduation Pierce took over the assistant coaching position for Po-Hi wrestling. He continued as head coach from 1963 until his death. The untimely death of Coach Pierce was not only a loss to the wrestling program but a loss to each and every member of Ponca City High School.

Team highlights were plentiful on the 1967-1968 Boys' Tennis Team. Out of twenty dual matches the team won eighteen. In the Oklahoma Seven Conference all singles and doubles reached the finals.

Number one and two men were finalists in the State AA Tournament. Two doubles teams reached the finals. Four Wildcat trophies were added to Polk as a result of State.

To win State is the 1969 team's goal, for no Seniors were on this year's team.

Very outstanding individual highlights were also apparent on this year's team.

Daryl Hess, number one player, won twenty-four matches, lost seven. Phil Landauer, number two player, won twenty-eight matches, lost five. Bruce Barger, number three player, won nineteen matches, lost four. Larry Randall, number four player, won nineteen matches, lost four. Owen Palmer, number five player, won twelve matches, lost ten. Bob Blubaugh, number six player, won eight matches, lost eight.

The girls' tennis team was less active this year. They played only one dual match and played in two tournaments.

Junior Terri Butt aided the team by capturing the state crown in the Girl's 100 yard backstroke.

Working an hour and a half each day throughout the year, swimming has proved itself to be a tough individual sport. A sport which doesn't draw great crowds, swimming gives a feeling of individual achievement.

The girls' team placed third in the state meet with Terri Butt placing first in the 100 yard backstroke, the girls capturing first in the 200 yard medley relay and fourth in the 200 free relay. Kathy Hughes placed third in 50 fly while Jo Corporon was sixth in 50 free.

The boys didn't place as well in state competition as they had hoped, however, Doug Cooper placed fourth in 100 yard breaststroke while Tom Muchmore captured sixth in the 100 yard free. They ranked sixth in the 400 yard free relay.

Competing in different pools causes very little change, except a small range of air and water temperature. A swimmer's main goal is striving to better standing records against the most impartial of judges, the clock.

Dick Coates takes another first place for Mr. Surber's homeroom this time in the high jump.

Spirited competition was evident in the intramurals this year. Throughout the year homerooms were practicing before and after school during homeroom and lunch, and on week ends for the various intramural activities. # Dreaming About the Future, Seniors Make Plans

*A senior brings leadership and years of experience into Po-Hi. He has survived two years, but his senior year is most important. This is the final year before entering the adult world, and he wants to make the most of it.*

*He holds a place of leadership and strives for perfection. He attends honor programs, takes entrance examinations, and competes for scholarships. Each senior dreams about the future, and lays his foundation for success.*

*As a senior, he tried for achievement, which is his constant goal, for with it comes character and hope for the future. He dreams about the future, but still makes his plans. He is leaving one world to enter an even better one.*

Mr. Jones and Daryl Hess share an opinion on the future of the school.

Planning and testing were the two major activities which composed the junior year.

Additional fund-raising for the prom was put into full swing with the Krazy Kat Carnival, and was extended through the Junior Play, bake sales, and working at Smitty's and Beranard's.

This year, as usual, the juniors were introduced to the beginning of college

testing. The first of these, the PSAT test, was given on November 14. The National Merit and SAT were also available.

Along with our other activities this was also the year to set and try to obtain our goals; but above all to train ourselves to become the leaders of Po-Hi.

# Sophomore Class Officers Active at Po-Hi

*Attaining mental knowledge as well as adjusting socially to high school routine was the goal for the sophomore class. The class of 1970, consisting of about 650 students, was the largest sophomore class in the history of Po-Hi. At the beginning of the year, the annual Sophomore Mixer was held which gave the students from the two junior high schools a chance to get to know one another. By the time sophomore class elections came, the students were capable of making wise decisions. Chosen to lead this year's sophomores were: Joe McPherson, President; Bill McCormick, Vice President; and Glenda Jackson, Secretary. Under the guidance of Mrs. Martha Christensen, sponsor, and with the cooperation of the members, these officers served in leading and representing the sophomore class well.*

## "PONCA CITY, WE LOVE YOU"

In dear old Oklahoma

Fairest daughter of the West

Stands our beloved high school

In the city we love best;

We chose the blue of western skies,

The red from sunset's hue,

Now, what could be more fitting

Than our colors red and blue.

Ponca City, we love you

With your colors, red and blue,

Ever loyal, faithful and true,

To dear old Ponca, we love you.

A black and white photograph of a long, low building with a flat roof, possibly a school or institutional building. The building has several windows and a series of columns or pillars along its side. In the foreground, there is a large, dark, leafy tree that partially obscures the view of the building. The overall scene is somewhat dark and grainy, typical of an old photograph.
